Joan Whale, Operations Manager of Screen Yorkshire comments:

*"I Just wanted to say thank you for the brilliant Managing safely course I attended this week and last week. It was really enjoyable- your presenting was terrific and the interest you showed in everyone's specific business was great. Also the balance was just right in terms of pace and content". "It's the first time we have used SMSE for training, but I will definitely recommend you for any future needs we may have".*
